“ *Mr. and Mrs. Longoria were such wonderful people to be around growing up. I remember as far back as grade school, the two of them being involved in whatever needed to be done. They were active community members as well as awesome volunteers in everything their children were a part. When Thelma School carnivals rolled around , Mr. Longoria was King of the grill. His burgers were always the best you ever had. His laughter would fill a room. Debbie, Andy, Roseanne and Letty I hold you in my prayers. You all have so many wonderful memories of your dad to pass down to your children and grandchildren. They just don't make them like he or your mom anymore. There is a party in heaven for sure.*

“ I don't think I ever called Edward by his name when visiting Andy & Beth. He was always Dad. Each time I saw “dad” we talked about his African Violets and his beautiful ceramic pottery all around his house. He loved his family so much. I am surely going to miss him at our next gathering but his memory will forever be in my heart. I plan to purchase an African violet in his memory and learn to keep it alive the way he told me! 😊. RIP my friend 🕊️🙏❤️

“ Edward was not only my cousin. But a dear friend. I will never forget all the talks and laughs we share. He could definitely put a smile on my face as well as in my heart. I will always cherish the things Santos and you have given me. The knowledge from our talks. The laughs. Never a dull time with you around. God Bless you my dear Eddie Boy. RIP. Love Dottie Arce and family.

“ Edward was the best father in law a girl could ask for. "Dad" welcomed me into his home, and into his family and had a heart filled with love for his family and friends. Andy and I loved having Dad up north to escape the summer heat of Texas. He enjoyed seeing our friends who also called him Dad. He passed on love and great and kind qualities to his children and grandchildren. You will be greatly missed. All my love to your family,
Beth Longoria
