“ As a baseball coach at Jefferson HS, I had the honor to know Mr. Millman. Both Edward and David played for me and they were the best of the best and it was always a pleasure to speak to Mr. Millman after a practice or game. He was extremely supportive of our program, players and naturally his boys. After spending time with Mr. Millman I understood why both Edward and David were who they were. I was blessed to have cross path with the family. To this day I still miss David and when I see some of the past teammates his name as well as Edward come up in the conversation. My deepest condolences to the family. Raul C. Zamora,

“ My grandpa was an amazing man and I’ll miss him so much. After I heard of his passing I wrote this in his honor and I’d like to share it with y’all. We had 24 years together and I know we’ll be together again someday.

~~~~~  
I knew you

All my life I knew you  
You helped teach me love  
Baseball was our favorite topic  
I loved the sound of your voice  
When I called grandma  
And you’d yell  
“Corro it’s for you!!!”  
You always made me laugh  
A life like yours  
So important and full of memories  
Filled with years of hard work  
Days spent with family  
And so much love for us  
Will be remembered forever  
The things you accomplished  
To the stories you told  
From Brooklyn to San Antonio  
It was destiny that we’d meet  
You traveled so far to be with us  
And now you embark  
On your longest journey yet  
Away in heaven you’ll await us  
Always in our hearts  
Leaving us with the gift of memories  
The strength you instilled in your family  
And the love you gave me all my life  
Watching you I learned so much  
You and grandma showed me  
What true and real love is

*We watched baseball together  
It never mattered who was playing  
You'd tell me about your crossword  
And we'd laugh about the news  
Someday I'll be with you again  
But until then  
I'll hold you close in my heart  
I'll take pride in knowing  
My grandpa was the best person he could be  
Where there was a will there was a way  
And it was his time to fly away  
Until we meet again  
I will hold all the things I learned  
And memories we shared in my heart  
In my life knowing you was one of the best parts*

“ To Edward Millman and his family. Mr. Millman, we never met; but we shared a precious gift. I knew David Millman while he was a student at Trinity University. I also taught Sandra, his wife. Please know that as long as I draw a breath, I will always remember David as the gift that you and Socorro gave us. Rest in peace and my deepest condolences to the family. “ *Eddie's name in the newspaper jumped out at me from the long ago past. He and I were lab techs together at a small clinic on W. French Pl, just off San Pedro in the early 1960s. I was just out of the USAF and it was my first civilian job. Eddie helped reintroduce me back into civilian life. Although we only worked together for about 2 years, and never crossed paths again I have fond memories of our chats at that lab.*
