My deepest condolences on the loss of your beloved Eddie. He will be missed by many of the friends from school also. Eddie went through alot, but still had that same sweet smile and was still always a kind person. RIP friend, we will all meet again someday.

“ *My sincerest sorrow to all of Eddie's family for the loss of your beloved father, brother, uncle and the very best friend that I have had for the last sixty four years. His loss will be felt for eternity. He endured so very much throughout his life and yet what I will remember about the most is that you never heard him complain about his problems and that no matter what, he always managed to put a big smile on his face. I pray that God will give you all peace and love during this time of mourning. God bless you.*
