“ *Just the short time I knew you, I could see that motorcycles were your joy as much as your family. I remember the mornings when you would rev up and head out to work. You made Julie happy. And your kids adored you. You will be missed. I am glad I had the opportunity to have you as a friend and neighbor. Rest Easy Eddie.*

“ I love you and miss you so much. There are just no words to say how much this really hurts. You weren't suppose to leave us yet. All of my nieces and nephews have a special place in my heart and right now my heart is hurting. Nothing is ever going to be the same I wake up every day hoping that it was all just some dream but no it's a living nightmare. I'm going to miss your silly, goofiness, crazy sense of humor, and your laugh but most of all I'm going to miss you.

*Till we see each other again, I love you Mijo
