LYONS

Edwin Ray Lyons, our dear father, peacefully entered eternal rest on September 2, 2008 at the age 81 years. A lifelong Texan, Edwin was proud to call Pleasanton his birthplace. Following a move to South San Antonio during his childhood, Edwin started his career as a machinist during an apprenticeship at the Missouri Pacific Railroad Shop as a teenager. Soon after, Edwin began a long career as a machinist at Southwest Research Institute until his retirement in 1989. Edwin always reserved a place in his heart for his loving family, long days and evenings fishing in Port Aransas with his children, his buddies at the Institute, and recollections of old family and friends from his youth. He is preceded in death by his wife of 56 years, Gloria Mott Lyons. He leaves us with two sisters, Effie Camille Tracy and Sally Melinda Kozoll, his brother-in-law, Dr. Richard Kozoll, daughters Susan Tankersley, Dawn, and Patty Wilson, sons Alan and Michael, and daughter-in-law, Ellen. A special joy in his life were his four grandchildren, Joshua and Jennifer Tankersley and Erin and Evan Lyons. The family wishes to thank the doctors and staff at the Cancer Care Centers of South Texas and Odyssey HealthCare for the care and comfort provided for Edwin during his final days. We will greatly miss the special bond of family and companionship he brought to our lives.
