*What an honor to have you as one of my sisters. In our younger days, the six of us, were an inseparable clan. Then, as adults, we spread out far and wide. I thought of you often, and just as often, I worried whether you were adequately being taken care of. I soon learned that for much of your life, it was you who was taking care of those around you. And how very well you did that! Then, in your later years, I learned that your loving children cherished you, pampered you, met your every need, and were always available to you. Eileen, your unconditional love to your children and those around you resulted in unconditional love toward you. YOU were a heroic, honorable, loving mother and loving role model. I can only wish to contribute to others as much as did you. What a privilege to be your younger brother. Love, Willy!
God bless your soul and rest in peace!*

“ Mom I feel so blessed to have been a part of your life. You accepted me and loved me from day one. I enjoyed all our times together whether we were at home watching our shows, or you were taking all our money playing games. Or if we were out playing bingo or somewhere vacationing. We always had a great time. We had some great heart to heart talks to. I made you a promise to take good care of Bonnie and you can count on me to do it. Thank you for loving me and the kids. We will miss you and think about you every day! Love you mom.

“ To MOMMA: IT pains me to know that you are no longer with us. Your laughter and smile will be truly missed. I am so grateful for you being you and for accepting me into the family. Thank you for the funny jokes and beautiful smile. You always seemed to enjoy our laughs and our craziness that Bonnie and I would do. You always said we were nuts but you always laughed with us and I want you to know that I will truly miss you. I enjoyed the time you shared your secret recipes with me. The days at bingo and the great times in Vegas and Fort Lauderdale in front of them crazy slot machines and the fun times at some of the best restaurants.

*Love Always

“ My beautiful sweet mother... Thank you for the beautiful life you gave me. For teaching me compassion and empathy... for showing me unconditional love. For being my rock to lean on... for all the advice and all the support. You are the STRONGEST woman I will ever know. Even through your struggles you kept going... and with a smile on your face. Your heart was pure, your love was real. Everything I am is because of you! You impacted my life and so many others in a way no one will understand. My heart aches knowing I will not see you every morning. I LOVE YOU SO MUCH MOM!!! A day will not pass that I will not think of you!
