

## Elaine Guise

January 11, 1963 - December 31, 2022

In January of 1963, the angels in heaven got together again and decided to create another dream come true. This time a girl. So they sprinkled moon dust in her hair of gold and star light in her eyes of blue. On the eleventh day of 1963, in San Antonio, Texas, they presented this miraculous gift to George Bennette and Billie Rhea Cadenhead Myers who gave her the name Elaine Kay Myers. Elaine's middle name was chosen from her Aunt Nona Kay Myers. She made her public profession of faith (asking Jesus into her heart) at the age of nine years on Easter Sunday night at Shearer Hills Baptist Church in San Antonio, Texas.

In April of 1982, a second miracle occurred. I asked for her hand in marriage, and she said "Yes!" For more than forty years we lived our lives together as soulmates in every sense of the word. On December 31, 2022, our beloved Elaine left us to be with our Lord Jesus Christ. She is preceded in death by her father and survived by me, Jerry Guise - her loving husband, her kindhearted mother Billie Rhea Cadenhead Myers, and her sisters - Tannie Myers Spacek and husband Ed, and Georgia Myers Hicks and husband Kevin.

Soulmates past, present, and future. Soon we will be reunited to continue our journey as soulmates. Until I'm close to you again.

-With love, Jerry

“ *My first memories of Elaine Kay Myers, way before she became Mrs. Guise, was holding her in my arms as a tiny baby when I was only ten years old, she was so sweet & beautiful. She was my first tiny cousin to win a place in my heart and that never changed a bit even after she and Jerry married, we were always able to pick up right away in closeness and conversation even if it had been months or years since we had seen each other. I will hold on to those memories we shared during our summer vacations and holiday visits with all of our San Antonio Family.*
