I will truly miss my friend of over 55 years. Good loyal friends are hard to find. Your loving heart & radiant smile will be missed. I'm glad we made it a habit to always part with a hug, kiss & the words "I love you". I take comfort in knowing you are reunited with "Arthur" as you affectionally called your Dad, your only Brother George & the love of your life, Joe....the three special men in your life who you missed dearly. May the perpetual light shine on ne on you. 💜
