

Eleanor D Castillo

January 6, 1930 - May 9, 2016

Oh what rejoicing there is in heaven as Nora O. Castillo, the love of Arturo's life, is with her loving husband once more. On November 14, 1948 they spoke their vows and were united in love for 67 beautiful years. They were inseparable in life and now are reunited in eternal love. Oh what joy!

Nora was born to Isabel A. Martinez on Jan 6, 1930 and was the youngest of three children. Preceding her in death is sister, Alicia Charles, and brother, Reynaldo Martinez.

Mom would often say the best decision she ever made was marrying into the Castillo family. "They are my family". Welcoming Nora home with open arms are Eusebia & Dario Castillo, Raul & Virginia Castillo, Dario Castillo Jr, Rudolfo Castillo, and Estella & Richard Rodriguez.

Mom was a wonderful loving wife, mother, daughter and sister. There was always much laughter and love that filled our home. You could feel it once you stepped into our home. The smells that filled our home of home made tortillas, tamales for Christmas and her Friday night special homemade lemon pies. Mom was known to whistle while she did her chores at home. You could hear her as she went from room to room.
