“ *My late condolences to the family.*

Ms Robins was a nice lady to me. I lived down the street from her. Her son John was my best friend. I got married in 1986 and moved out of state. My mom called me to let me know John had passed away. It was a very sad time to hear this. John and I hung out a lot and we just liked talking about life.

I am very sorry to find that Ms Robins passed away.

May she rest in peace. (And may my friend John rest in peace).
