“ As a kid I would listen to her tell me about all the recipes she made at the hospital from scratch. She knew all the ingredients and measurements. When i would visit her at my parents house i told her to let me know if they're not treating her right and I'll set them straight. She would always say they treated her good. My favorite memory was watching the 2019 Patriots and Chiefs Super Bowl together. I asked which team she wanted to win and she said the red team cause Tom Brady is too cocky :.)
