“ *Gloria & Carl & family. Steven & I are very very sorry for your loss. She was a wonderful Aunt. I know that she loved embroidery because she always made something for my babies when they were born. She was my God mother. You are in our prayers. Love, Steven & Beverly*

“ *Elenora is the sweetest soul I have ever known... I came to live with her and my father at 17 years old. They were just married when I appeared on the doorstep. She took care of me like I was her own daughter...a girl could not have asked for a more kind and loving stepmother. The love and stability I was given in their home set me on my life course to greater adventures and the comfort of knowing that I always had a loving home to return to anytime I failed to launch...and I did fail to launch twice! Southwest Airlines was my third launch attempt and success at last! My love and gratitude for Elenora is eternal...Rest in Peace beautiful lady ❤️ Cheryl Renwick*
