

Baby Eliana Rae Isabel Villarreal

December 27, 2021 - January 7, 2022

Baby Eliana Rae Isabel Villarreal, entered into rest on January 7, 2022. She was born on December 27, 2021 in San Antonio, Texas. She is survived by her parents Eric R., Villarreal and Melissa M. Villarreal; grandparents Jesse L. Munoz, Juanita Gallegos and Rebecca Villarreal; twin brother Eric G. Villarreal. She is also survived by aunts and uncles; cousins and many other family members.

Eliana or as her Parents called her, Ellie Belly, was extremely loved. While in the womb she made her presence known always kicking and punching day and night in her Mommys tummy. While her brother would sleep she would wiggle and push on her Moms tummy. All her ultrasound appointments were so fun to see. She would always be doing back flips, dancing or kicking her brother.

Ellie was smaller and born second but she made her voice heard. She was very vocal with what she liked or didnt like always making little cute sounds. She had the perfect mix of her Mom and Dads attitude and Physical appearance. She was here for such a short time but will forever be in her families hearts.
