

## Elias P. Pardo III

February 27, 1971 - May 6, 2021

Today, we honor, respect, and remember a really great man who touched and enriched all our lives in so many different ways.

Elias P Pardo III went to be with the Lord, May 6, 2021 at the age of 50 in Las Vegas, Nevada. He was born on February 27, 1971 in San Antonio, Texas. He graduated from Brackenridge High School in 1989. He went on to be a night stocker/manager at HEB for 19 years. This is also where he met the love of his life, Christine Pardo and married on June 14, 2011 at the Excalibur Hotel/Casino. He was her greatest support, strongest motivation, and biggest comfort. He would always quote, "Happy wife, happy life." He was her best friend and loving husband. He also selflessly took on the role of being a caring, compassionate father to Felicia Rodriguez, who he often referred to as Pumpkin. He was her special gift from God, her protector, and her shoulder to lean on. He had endless wisdom, and timeless advice; his love was unconditional.

He was also a loving son. His parents Elias and Maria Pardo Jr. always say they couldn't ask for a better son, who was the love of their life, and will always be. "Our angel is asleep, and has gone to be with our Lord Jesus in peace."

His dream came true when he moved to Las Vegas, on April 26, 2015. There, he pursued a career as a security officer, and was proud to work for Aliante Hotel/Casino for 5 years. He was passionate about Star Wars, collecting

Silver Coins, and often enjoyed listening to his rock music (Metallica), and occasionally country.

We all agree he was one of a kind. He will be remembered for his glowing smile, his big heart, and his hilarious pranks.

He is preceded in death by his maternal grandparents, Elias and Anita Pardo. Elias is survived by his loving wife of 10 years, Christine Pardo; parents, Elias and Maria Jr.; daughter, Felicia Rodriguez (Chester Roman); aunts and uncle, Martha Garza, Dorothy De La Fuente(Paul); sister in-laws (Lisa, Rachel, Sandra; brother in-laws ( Andy, Gabriel, George); and numerous other aunts, uncles, cousins and friends.

Visitation will be Friday, May 21, 2021 from 5:30 to 8:00 p.m. with a Rosary to be recited at 6:30 p.m. at Mission Park Funeral Chapels South. Funeral Service will be Saturday, May 22, 2021 at 11:30 a.m. at Mission Park South. Interment to follow at Mission Burial Park South.

“ Elias the conversations we had about my Ma have stayed with me to this day, they help get me through those tough times. And how you texted me when she passed and even though you were in Vegas you texted every October to check in, knowing how tough that month is for me. I will never forget the love , almost to a psychotic level, you had for the Spurs or the many completely non-PC actions , conversations and trash talki g we all partook in overnight. It's hard to explain to anyone that has never worked overnight, they couldn't comprehend. Oh boy...Even though you were living your dream in Vegas, we always hoped you'd come back overnight with us.... Thanks for being that ear I needed when I was gutted about my Ma, wishing i could've given you just one more hug, brother.... Your overnight #8 fam will never forget you, your bookie level understand of gambling and your expert level 401k advice.... Much love to Christy and his daughter Felicia , oh how much he loved you two..... Talking about have daughters was something that bonded us..... I will miss you forever , Elias....

“ I was so saddened when we heard the news. I prayed so hard for you Elias hoping for a better outcome. I was hoping you'd text David back like you always did that you were ok. I met Elias and his wife Christine through my husband who worked with Elias for many years at HEB. The last time we saw Elias was right before they left to Vegas, he came over with Christine to bring our newborn babygirl a cute little rock shirt from Vegas. I never thought that would be the last time we saw him, he was so kind to our family and supportive about my husband's new police career. We will be forever grateful for his kind words to the police agency. Thank you Elias for being a good friend and coworker to my husband all these years. Now when we hear Metallica we will think of you. Rest in heaven sweet friend you will be dearly missed. Sending prayers of comfort to Christine, his daughter Felicia and the whole Pardo family-Love The Galvan family

“ words can not express how i feel mijo,it broke my heart when i got the news about your illness.i prayed so hard for you to get better but i guess THE LORD had other plans for you.it was an honor to be your GODFATHER ,i will always remember the time i carried you on the beach at padre island,you were just a baby.i still have that memory in my mind and heart,you were the son i never had.a gentle giant with a big heart and beautiful spirit.many times i went looking for you at heb where you worked just to see you and say hello.but you were off are something.but at least i can say the last time i saw you,you were full of life and happy that what really matters.with a heavy heart i wont say goodbye but i will say untill we meet again mijo.rest in peace and watch over your family always.love you.
