He enjoyed reading and studying the bible and always lived by it. He loved history including the Civil War and WW II. However, taking his RV on road trips and being with family was his favorite.

He radiated positivity and incredible energy. Everyone that knew him loved him. We all looked up to him as a role model and mentor and could always count on him for great advice. He had an incredible sense of humor and when asked what we should include in his eulogy, his response was “ he worked.”

“ *Elias was one of my Brother Jimmy's closest cousin and friend. He will be missed by many. Elias and I experienced the loss of our first spouses at an early age. That is one experience we had in common. My first house in Corpus Christi was one of his first home sales when he was in the Realty Business. My sincere thoughts and prayers to his wife Amy, his children, and to my cousins Berta and Lou. May they all find comfort in that although he is no longer with us he most definitely is with our Lord. Sincerely cousin Rebecca Villarreal Gray, Murchison Texas*
