“ *I remember going to your house Anna and hanging out with your sweet family. I remember going with y'all to help clean late at night. Your mom always made sure we had snacks and having fun. I loved going to your house during Christmas time. Your mom always fed me and then we would turn off all the lights in the house to look at your Christmas tree all lite up. Everything was decorated and was so beautiful. I will always remember those memories. Your mom was such a sweet lady that worked hard and loved her family. She will never be forgotten. 🍷🌸*
