Sorry, I missed the service I didn't see the date it was held until today. It's beautiful to see how Ms. Phillips made such a great impact on so many students. Ms. Phillips was my 7th grade Texas History teacher at Cooper Middle School. She always had a smile on her face and would make the class fun, joking how she was the smallest size at the big mama's store. I remember her being sick in the hospital for a while and her class still honored her with the annual Christmas door decoration. Her room won that year. I got to see her beautiful baby boy who was just a few months old when she brought him to a school function. Blonde hair and blue eyes.... Thank you Ms. Phillips for listening and sharing you life with us ... you are an amazing woman... see you again one day. ❤️

*“ Betty Phillips was a wonderful teacher and loved all her students. She began at Cooper Middle School and retired from Lanier High School. Her kids loved her and appreciated her dedication to their education and their growth and success academically and into adulthood.. She will be missed by so many. She was a Vok and showed her love of Lanier in her allegiance even after retirement. I miss you, Betty.

“ *Ms Phillips was great teacher and a great friend, I had the pleasure of knowing her since her teaching days at Cooper. My family continued a great relationship with her all this years. It was a honor to have known such an amazing person. May she rest in peace.*
