“ *Mama Shores is how she signed most of her cards to me. I always looked forward to receiving them and catching up on how she was doing. I will miss that for sure, but I'm so happy she is home with her Lord and family that she loves so much. Prayers for the family to see them through a difficult time. 🙏🙏*

“ Although she would always blush, I called her 'Betty Boop' and she loved it. 'Betty Boop' was a loving and caring mother-in-law who, just like the character, was always happy and smiling. She was a true joy to be around.

Her family and friends were her world and she lived a joyous life surrounded by the people that she loved.

Now she is in Heaven looking down on us and waiting for us to join her someday. Loved you 'Betty Boop' and thank you for filling the void when I lost my Mom. Jim

“ Though I miss you and your smile and am saddened daily by your loss, I am comforted and my heart is filled with such joy knowing you closed your eyes in slumber here on earth and awoke in the loving, glorious presence of your Lord and your Savior Jesus Christ!

Finally at peace and in wonderful reunion with your family and friends who were waiting there for you. We will be together again one day.

I loved you more than you realized, Kay

“ Aunt Betty you always had a special place in my heart. You always remembered my birthday & other holidays with such sweet cards. You were my tie to memories of Granny & my Mom. Even though I didn't see you often enough, I will miss you. Give Mom & Granny & Uncle Bill big hugs for me. See ya when I get there. ❤️❤️
