

Elizabeth June Underhill

February 17, 1929 - August 26, 2022

Our Aunt Betty was born to Haley Elizabeth Naegelin Hood and Owen B. Hood on February 17, 1929 in San Antonio, TX. When Haley passed away when Betty was 5 years old, she and her sister, Frances Marie Hood went to live with their Grandparents, “Big Mama” Jane Naegelin and “Pa Charlie” Charles Naegelin. Betty met a young man at church by the name of J.D. Underhill. They married on February 17, 1949 in San Antonio and soon moved to Monterrey, Mexico to do missionary work for the Baptist Church. Betty and J.D. moved to Laredo, TX where Betty became a music teacher and J.D. became a vice-president of the Laredo National Bank.

Upon retiring, they moved to Austin, TX for several years and then moved back to San Antonio. During retirement, they enjoyed many visits to the Stardust Hotel and Casino in Las Vegas. Betty was diagnosed with Parkinson’s disease, but continued to live in their home with J.D. When more assistance was needed, Betty moved into St. Francis Nursing Home.

J.D. visited frequently until he was diagnosed with stage 4 Prostate Cancer. He also moved into St. Francis for a short time until he passed away on December 6, 2014.

The Family would like to express extreme gratitude for the excellent care given to Betty by the staff of St. Francis Nursing Home for over 10 years. Parkinson’s disease finally ended her life on August 26, 2022. She will be buried next to her husband in Mission Burial Park North. A memorial gathering is planned for a later date.

“ *Out thoughts and prayers are with the family of Mrs. Underhill. She was my mother's roommate at St. Francis Nursing Home. We would visit with her when we visited mother. When we discovered she was a music teacher we would play music for her. It was our joy when she would sing for us. She had a beautiful voice. Fly high with mother and the angels, Mrs. Underhill. You are missed.*
