“ May the peace and love of our Lord Jesus Christ comfort you in the days and weeks ahead. Liz was such a great friend and I have nothing but good memories of the fun times and friendship we shared. Seeing her photo reminds me of her beautiful smile and sweet spirit and although we weren't close these past years, she will always hold a special place in my heart. My deepest sympathy to all of the family.

“ Remembering all the wonderful times we had, from being maid of honor in each other's weddings to the girls trips to Port A and so much more. Although we lost touch with each other around 20 yrs ago, we were great friends and partners in crime in our younger years. We had so much fun together. Her home was full of welcoming smiles from Mr and Mrs Zaiontz and was one of my favorite places. My heart goes out to all of her family at this time. I am so sorry for the loss of Liz. All my love, Pam Cherry Stines

“ The world has lost a fun-loving person. I have good memories of Liz during high school, times at the coast and in Austin. I have lost contact with her for over the last 20 years even though I live in Houston. We will never know why God called her home at such a young age but trust that He has His purposes that we cannot see right now. May the Lord comfort you now and give you peace and hope during this time and in the future. Blessings to all her family.
