“ I most remember Mrs. Eileen from church. She played a vital role in the church family and I'm sure everyone she came in contact with. Her kindness and love for God was known well. I admired her passion to serve the church. You could either find her sharing her lovely voice in the church choir, helping cook meals for church events, or sharing her great big hugs with everyone. I know she had a big influence on my family as we grew up in the church. Words cannot express how much she will be missed. My prayers and thoughts go out to the Fox family during this transition. May God grant them peace, as they know she is at the side of our loving maker.

“ Eileen was the absolute best. She was kind, sweet, witty and intelligent. The lord blessed her with many talents and she used them for his glory to help support Harlandale Baptist Church and later Everlasting Light Baptist Church. We have many fond memories of the beautiful church events and meals she organized and singing with her in choir. She will be missed terribly but we thank god for the privilege of knowing her. We were all blessed by her service to the lord and the world is a better place because of all she did in his name.

Eileen and Dean are two of the finest Christian people we've had the blessing of knowing. They brightened our lives with their friendship over many years. Our hearts and our prayers go out for Dean, Deanna, Keith, Russell and the entire family. Dean, you picked a wonderful winner when you chose Eileen as your soul mate many years ago. She was the best. I know Eileen would say the same about you - her forever soul mate.
