“ My belated condolences to all of Ellis’ family. I bowled on his team back in the 90’s. He was always kind, and encouraging. I appreciated that because I was a lousy bowler. He loved his family greatly and said so very often. God bless Ellis and all of you, his precious family.

“ I remember being a teenager in the 1970’s and working for H.B.Zachry during the construction of CPS’ first two coal fired power plant units, when I met Ellis. He was very professional and down to earth, he always had good things to say about people, in fact, I remember [overhearing] Ellis talking with my supervisor one day and complimenting my work ethics.

The last time I saw Ellis was in the 1980’s when he told me that he was involved in estimating for HBZ and was currently assisting with a bid for another power plant project. I was amazed to learn from him that a power plant bid takes approximately six months to put together.

May the Light of Our Lords Face shine upon Ellis, be Gracious to him and Grant him Eternal Rest 🙏
