“ *A mi padre Elpidio Cruz.
Te recuerdo como padre ejemplar y maestro de la palabra, hombre íntegro, noble, fiel ante tu señor Jesucristo, dedicado a toda tu familia fuiste nuestro sustentó económico y moral.
Mi padre Elpidio Cruz siempre te recordaré. Tu te as ido pero tus enseñanzas quedaron dentro de nosotros, (dentro de mi).
Quiero seguir siendo como usted un ejemplo para los demás.
No tan rico que me aleje de Dios, ni tan pobre que tenga que mendigar. Lo mejor que me paso fue tener un padre como usted.
Dios te acoja en tu Santa morada.

“ *Papa, now you are resting peacefully, will miss speaking over the phone and hear your voice saying “que Dios le bendiga” but know you will always be in our hearts. You were a man of faith and a disciplinary, will carry your teachings forever. Happy we were able to spend time together last year, as picture shows two guapo guys. During our last trip when we went to see you, we had our son and father conversation, what an honor to have that time together, tell you that I love you, thank you for always leading me in the right path and for all your advice. You were vital to us all.*

Till we meet again, keep smiling and watching over us,

Eliseo and Naomi

“ *Heaven has received another angel. The night sky another star. Your life has become a loving memory. I know you will never be far. I know you are watching over us. As my life goes on. I will treasure the memories I have of you. You were a loving, caring grandfather and great grandfather. You will always hold a place in my heart, a loving, treasured spot.*

You were really one in a million, a cut above the rest. All who knew you would agree.

You simply were the best!! My dearest, Grandfather, I will say goodbye. I love and miss you with all my heart, but as long as I have my loving memories, We will never be too far apart. Our beloved grandfather and great grandfather, we will always hold you close to our hearts. You will always be loved beyond words.

“ *Out of all my family members, abuelo was the one I share the most in common with. His devout love of Christ, history, politics is something that is part of my identity. His words of wisdom, left an impact on me. His kindness and calming nature is what I will cherish the most. Gracias abuelo, que en paz descansa en la Casa del Señor!*

“ *When I was a child, all problems had ended with a single word from my father. A smile from him was sunshine, his scowl a bolt of thunder. He was smart and honorable without fail. He could banish a trespasser, help me do my math homework and prepare for church , all before dinner. For the longest time, I thought he was invincible but reality hit and hard. May each tear and each fond memory be a note of love rising to meet you. Deeply, I know this, that love triumphs over death. My father continues to be loved, and therefore he remains by our side.*
