My Mom and Dad loved to dance winning many dance contests in their early years. My mom also loved to go fishing with my dad as well during their last years together. She would remind us about her softball playing days during our conversations with her. She also loved her sweets, Vincente Fernandez Music and a good Whataburger with Fries. My Mom loved her grandchildren and great grandchildren dearly attending many of their sporting events to cheer them on, which could clearly be heard when she was in attendance. We

also want to say “Thank You” for the loving care given to our Mom from the Golden Age Home Care (Roxana, Tisha and Maxine). We will miss our beautiful mother and May you rest in peace Mom. You will be greatly missed but never forgotten.

“ My Aunt was the greatest sister a sibling could have. She visited my mother day in and day out during her battle with Alzheimer's. She would comfort me the whole time even during her own tragedies she found the strength to comfort others. I am so blessed to know that my mother and brother have her with them now. I'm sure my Aunt has already told my Uncle Art to turn of the sports. Any one who knows the family understands. May God Bless my Cousins.
