

## Elsa Grace Rendon Cuevas

August 24, 1956 - February 21, 2021

Our beloved Elsa Grace Rendon Cuevas went into the arms of the Lord on February 21, 2021 at the age of 64. Born on August 24, 1956 in Elkhorn, Wisconsin, Elsa moved to San Antonio, Texas with her family when she was 4 years old. She graduated from South San Antonio High School. She loved her career in medical records that spanned over 40 years with Lutheran General and Methodist Hospital Systems in San Antonio. She had a commitment to quality work and was the recipient of many awards. She loved and respected her co-workers.

She met the love of her life, CJ Cuevas, 38 years ago and they were married on February 10, 1990. Elsa loved spending time with family, traveling, going to the races, and organizing the annual family beach trip.

Elsa was a very giving person, she loved to give to others, and share her time with many. Once you met Elsa, you would soon fall in love with her smile, and learn she radiated happiness, energy, goodness and welcomed all.

Children were drawn to her radiant and generous heart. Children bought her joy, energy and hope no matter the trial. Her numerous Godchildren were blessed to be genuinely supported by someone that portrayed the fruits of the Holy Spirit.

Elsa loved the Lord, loved her family, and loved to have fun! She loved music – especially country and 70's rock n roll, and loved to dance. She absolutely loved to celebrate birthdays, and went out of her way to make sure one felt extra special by volunteering to bake their favorite cake for each birthday.

Elsa is survived by her loving husband of 31 years CJ; brothers Robert and Joseph Rendon, sister Olga Humphreys, numerous nieces, nephews, and Godchildren. She is preceded in death by her parents, Joe and Augustina Rendon, and nephew Marc Anthony Martinez.

“ 18 years ago, my wife and I had the great fortune of moving in next door to the "World's Greatest Neighbors". Ms. Elsa always had a great smile on her face and was always there for us whenever we needed her. She was always there for our kids (her Little Matey's) from the first day we brought them home from the hospital. You will always be a big part of our lives and you will be greatly missed!

“ I had the pleasure of knowing Elsa for the past 15 yrs. You don't meet to many genuine people in life but this woman was. She always had a smile and had a heart of what I truly believe was made of gold. She loved her job and helping people. She always helped me when I needed her professional assistance. You will not be forgotten Elsa. May you rest in peace and condolences to your loving family.

“ My deepest condolences to the family.  
My memories of Elsa go back to our high school years. She was a wonderful and dear friend. During our high school years we worked at Kelly AFB Youth Program. We used to drive together to work. We enjoyed our time with our other friends Anita, and Roberta. Our years were full of excitement, joy, and future dreams. She will be missed by all her high school friends from South San High School. Rest in peace Elsa!
