“ Our prayers are with all of the Wendel family. It is hard to loose the root and matriarch of a family but we all know she is safely in the precious arms of our Lord and Savior. Now she has that heavenly peace and is in celebration with the love of her life and all other family members. May God provide peace to each one of you through her memories and the love that she so freely gave you and many of us.  
Love, Linda and Dooger Chanler

“ Elsie was a beautiful and kind person. She had such a positive influence on my life. As the office manager of Ozarka Water Company, she trained me in my very first job and instilled in me her work ethics that have made me successful in my own career. We remained life long friends and I will always cherish the times we spent together. My deepest sympathy to her loving family.
