On October 26, 1968 Elvira S Morales married Tomas H Morales and moved to San Antonio, Texas in the Southwest part of town off Castroville Rd and Acme Rd where they raised their five children; Thomas, Sandra, Laura, Liza, and Gregory. She started her career working at Four Seasons Nursing Center at the age of 33 as a Certified Nursing Assistance. Elvira transferred to Lakeside Nursing and Rehabilitation Center to continue her career of 41 years.

Elvira was an amazing woman with a tremendous heart. She sacrificed her time to help others. As a mother of five children, Elvira always took the time to assure that everyone was taken care of. Many of her co-workers considered her as their own mother, as they would come to her for comfort. Elvira was an outdoors person and had many hobbies. Over the years she collected many plants and enjoyed spending days outside watering them. Elvira also loved traveling and exploring with her husband to different Casinos. The excitement when playing the slot machines was something she often looked forward to. Elvira loved to cook and bake, her specialty was Chile and her homemade Tortillas that everyone couldn't get enough of. Elvira's home was always filled with love and laughter. She always opened her door to anyone who needed help and comfort. Elvira enjoyed fishing at Corpus Christi with her family listening to country music from George Strait, Alan Jackson, and some Tejano music from Ruben Ramos. She also loved to watch sports from basketball, football, and baseball. Elvira liked to watch Netflix movies and western cowboy movies with her husband. She also enjoyed visiting and spending time with her sister Teodora Salazar, brothers Robert and Felix.

We would like to thank God for giving us our mother Elvira Morales for being there every day with love and guidance. Elvira has left a big void in our hearts, and we will continue to miss her, but one day we will all be together again.

“ *Vera; I will miss you friend. I miss our morning coffees together, Your smiling face, and your kind heart. I still have the Christmas plant you gave me, and I will cherish it and take good care of it. I was blessed to have known you, and called you friend. Our hearts were not ready for your passing, but with God's grace, we will see you again in the kingdom of heaven. I wish peace and comfort upon your family. Rest with the angels my friend.*
