“ Dear Schwandt family,
My sincere condolences for your loss. Elvi was the type of person who continually gave of herself, brightened any room and made us all a little more kind, a little more loving and a better person. She will forever be missed but I am comforted and I hope you will be too by the many wonderful memories we share of her. While she no longer walks here on earth, we can rest assured that as much as she loved her family and friends; she will provide an exponential abundance of love from heaven. Words fall short of what she means to us all. My prayers of comfort to you all and may you be encouraged by the many wonderful memories shared of Elvi.

With deepest sympathy and heart felt love,

Scott Gentile and Family

“ Elvi and I worked at Marriott NW together.
I will miss the Conversations, the Laughs, and even the Tears we shared.
The Last few Days, I was thinking about you and really wanted to talk to you.

Then I heard you were Gone. What a Loss.

Elvi I'm happy your not alone where ever you are.

Goodbye friend,
We had a great amount in common but brief time together.
I will cherish the Memories I have of you.

“ *Elvi and I worked side by side for two years when she first started at Marriott. I saw her grow and blossom as a person, a professional and her favorite role, a Mother to her Sisters and kids. I will remember all the good times we had together, all the laughs we shared. You are now at peace my friend, free with your parents. Watch over your babies forever.*

“ Elvi and I worked together at the Marriott Rivercenter and the Texas Regional Sales Office, a total of almost 12 years. I will always remember our laughs, talking about life and work. She lived for her kids and her sisters. Watching her with them was a joy, she was such a wonderful mother to them. Despite the challenges she faced and some of the tough times she went through, she always put others first. She was a great caregiver and that is what I will always remember about her. Family meant everything to her. My heart is broken and I still can't believe she is gone. Please remember her as the sweet and wonderful person she is, because she hasn't totally left us. Her spirit is still very present.
