October 28th, 1931 - June 25th, 2024

Emelia Garza, aged 92, entered into rest on June 25th, 2024. She was known for

her “larger than life” personality and even larger heart. She is preceded in death by her

loving husband, Roy Garza, who she ran a successful cleaning business with for over

40 years. Emelia is survived by her two children, Louisa Tovar (Joseph) and Anthony

Garza, her two grandchildren, Joseph III (Sarah) and Amy (Franklin), her four great

grandchildren and four great great grandchildren. She has one remaining sister, Janie

Regalado. The family wants to thank the wonderful staff at Silver Tree nursing home,

Mesa Vista, and Legend Hospice for taking good care of Emelia in her final days. As per

her wishes, she wanted cremation only and in lieu of flowers, a memorial donation to

the Alzheimer's Association. <https://www.alz.org/?form=FUNQZNCYXKB&lang=en-US>
