“ I will miss you Nina, I will miss all the memories that you have shared about your family. You were always there when I needed you. You made sure that I was ok when I needed someone the most. You always spread love, kindness, joy and happiness no matter what challenges you faced in life. When my dad (your brother Paul) would come to visit you I would always come with him just to visit you. You always made us feel welcomed and treated me as if I was one of your kids. It's an honor to be named after you and I am proud to call you my Nina. You will always be remembered and forever remain in my heart and thoughts forever. 😭❤️❤️”
