“ She was such a sweet lady. I was honored to meet her a few years ago when she came to Massachusetts and stayed with us. I was so sad to hear of her passing. Rest in peace Bobbie.

“ I have so many great memories.. I would stay at my grandmother's a lot but as son as I would wake up, I would go right next door to my Tia Bobbies house. She had crafts, games and always something good to eat. She made me so many things. Many of them I still have today. She always took good care of me even if I was bothersome. As I got older i was told that I did many things like her... what a compliment! She was always proud of me and Aaron. She never forgot special days or birthdays and always made you feel special. The last message she sent Aaron was so sweet. I am glad I can save it for him. She was so thoughtful and wanted to preserve memories. She sent Aarin pictures of his great grandparents and his grandpa as a boy.. She always did whatever she could. I love you Tia and I made sure to tell you even if you could not say it back.. just like now! Enjoy your eternal rest with the angels and my crazy brother! xoxo
