

Emily Rae Rodriguez

December 3, 2024 - January 14, 2025

Emily Rae our beautiful daughter, dearest sister and beloved granddaughter. She fought hard overcoming so many obstacles they said she wouldn't. Emily's condition doctors diagnosed her with a rare condition called Holoprosencephaly (HPE) a terminal condition.

Emily is the light of her parents life, from the day Emily was born all she known was love. Her little smile would melt your heart and the way she would look at you would tell you she loves you too. Emily loved the hugs from her mommy, soothing her like a blanket knitted by love and warm like the sun rays touching your skin. Emily loved the way daddy would dance with her they were like two shooting stars dancing across the night sky, She also loved the way he would rub her back and the cuddles they shared. Emily also loved being with her older sister watching Disney princess movies together and laying together like two peas in a pod (best friends).

Although her life with us was brief she filled our hearts with love and joy.

Survived by..

Sister Emma Villarreal

Grandparents Maria Garcia, Tony Garcia, Frankie Rodriguez, Rosa

Rodriguez, Rosy Mata, Julio Cruz and Martha Cruz and Great Grandmothers Ana Gonzalez and Petrita Cordero.

Emily fought so hard to the very end, god has called her home and now she's flying high with all the other baby angels. This is not goodbye this is see you later.

We love you EMILY RAE

“ *I loved you ever since your parents told me they are having a baby. I got more excited when I found out your gender (it's a girl). The day you were born I feel more in love. I know the time I had with you was a blessing. Your whole life was a blessing I know your watch over your partners sending them love. You'll forever hold a special place in my heart ❤️. I love you so Emily.

“ *The Broken Chain*

*We didn't know that morning.
God was going to call your name....
In life we loved you dearly,
In death we do the same.*

*It broke our hearts to lose you.
You did not go alone,
For part of us went with you.
The day God called you home.*

*You left us beautiful memories,
Your life is still our guide,
And though we cannot see you,
You are always by our side.*

*Our family chain is broken,
And nothing seems the same...
But as God calls us one by one
The chain will link again.*

*This is not goodbye my darling granddaughter,
This is see you later my love.
We love you Emily Rae!*
