I was able to see Emma Campos at the nursing home - Christmas 2019, my last visit with her. We were glad to see each other. She brightened up my day and asked me how I was doing. Since my move to Texas 10 years ago, I made it a priority to visit her and Tio Candelario when I was in town. Over the years I was introduced to her family...my family. She shared valuable family history and had a great sense of humor. I will miss her.

“ *Ms. Emma Campos was such a gentle soul and wealth of advice to me when I was a high school student. It was an honor getting to listen to her experiences, and I've thought about her when I went through college and even now when I am in dental school. I've kept her words and advices with me ever since.*

Thank you for everything, Ms. Campos.
