“ This is just one memory of many. One long weekend Papa, Uncle Bill and his friend Harry went fishing.  
I stayed the weekend with Emma and kids. Emma wanted a swimming pool. We talked about what we could do to get Uncle Bill to put one in. So we came up with the idea of digging the hole. We dug and dug even into the late hours and Emma strung a light out there so we could see.  
It worked, Uncle Bill came home and finished it. It was a lot of work. But I remember friends and family came over to help. Emma got her pool, and we all had a wonderful time in that pool.  
Emma and I were always getting ourselves into something.
