

Emmanuel "Manny" Pena

May 14, 2000 - August 1, 2018

Manny developed a desire for music at a young age. His love for music quickly transitioned from recreational listening to becoming a student of it where he began to take lessons at the age of 5. As Manny skillfully learned his craft, God's plan and purpose began to unfold. Manny was more than a musician and undeniably more than an artist, but Manny was a worshiper. Manny was called by God and was entrusted with the task of standing before the congregation weekly and leading them into the very presence of God. His role was to point people to Jesus, through an art that was so incredibly personal that he worked tirelessly to perfect. His role required him to be a gifted artist continually honing his craft, and a leader.

Emmanuel recently enrolled in Arizona State University where he was pursuing a degree in Education. He had a passion for working with children in particular the after school program KIN at Montgomery Elementary and volunteering through PALS at Camelot Elementary.

Manny will dearly be missed by his loving parents, Homero Pena Sr. and Carmen Pena, Brother and Sister-in-law, Homero Pena Jr. and Norma Pena, Sister and Brother-in-law, Sandra and Travis Carroll, Sister and Brother-in-law, Veronica and Billy C. Monton Jr., Nephews, Caleb Pena, Isaac Pena, and Billy C. Monton III.

Our lives will forever be changed by his love and passion for the Lord and life that reflected exactly that. We love you Manny, and will miss you dearly, but we know that we will see you and rejoice with you once again.

“Manny was an amazing KIN assistant at Montgomery. He always had a smile that was infectious. His love for his students was seen in everything he did. I will remember the time he took to make each student feel better if they were having a tough day. Manny will be greatly missed. My sincere condolences to Manny's family and friends.

“My name is Ms. Bonnie. I worked with Manny in the Kin Program for NEISD. When I would work with him, he was always smiling and very welcoming. He was a great Kin Assistant and the kids loved him. It was my pleasure to work with him.

I am so sorry to hear of the accident and his death. I will be praying for the family, especially for his brother, Homer Pena. I worked with him at one of the schools.

*God Bless the family and the friends of Manny. *

“ Thank you Manny for being in my music room these last 2 years at Camelot. I enjoyed your partnership, creative ideas and conversations. You are gone too soon but you made a huge impact. I am so honored that I got to know you. I was the lucky one. Teach in the heavens my friend. We will meet again.
