“ Thank you for sharing the heart-warming video. Enrique was my cousin on my dad's side. He was always so sweet and kind to us and kept in touch with my family throughout the years. His kind and gentle nature was what shone brightly in him. The last time I saw him was almost exactly one year ago. As the years went by we found it harder and harder to physically let go of him because that's how much we cherished him. Today it's most difficult. Enrique was a part of my life and will always occupy a space in my heart. I find comfort in knowing that he is in the arms of our Heavenly Father and reunited with Tere; for he shall be happiest there together.

“ *I knew Enrique Carmona De Los Reyes for a very long time. We used to work together at Panchos Mexican Buffet. It was my very first job. He was always very friendly and funny. I really enjoyed his company when we worked together. I really admired him for being such a hard worker at work and taking care of his beautiful home. He will be missed. Condolences to the family.*
