“ Eric was my boss at LabCorp. He was a great supervisor and friend. I am truly sorry about his passing. I want his family to know how many of us respected him as our boss and delighted in him as our friend.

“ I am very saddened to hear of Eric's passing. I worked along with Eric about 35 years ago at Methodist Hospital. We worked in Radiology transport as Health Occupations Students. As Eric texted me about 3 weeks ago, the highlight of our weekends working would be going to get biscuits from KFC around 5:00 in the afternoon when we got hungry. We had fun! I will always cherish the experiences we had working together and of knowing him. My most heartfelt and deepest condolences to his entire family. God keep him in eternal light.

Sincerely,

Henry C. Falcon, Jr and Family”

He would always greet me with a smile and a “hey hows everything going?” The entire lab will definitely miss him. May he now rest in eternal peace.

“ Eric epitomized professionalism, commitment, perfection and caring. He was the best thing that happened to our AP section at Houston Methodist in the past 40 years that I have been around. All this, while fighting a valiant health battle that most here did not know about. He is in a better place now. The Good lord takes the best ones first...and Eric certainly was the BEST! We will cherish his memories and grateful for all that he did for us and our patients.
Rest in peace my friend!
Condolences to his family.
