“ My heart is broken to have lost such a beautiful soul here on earth. We worked together at Homewood Residence. She loved her residents & took the best care of everyone there. She was a great friend to me. I will always remember how she always wore beautiful perfume, loved her doggies & her awesome new cars. But especially the love she had for her husband, children & grandchildren whom she always talked about with love. You will be very much missed. I have no doubt that you sitting next to our Lord proudly says, “ Well done my child. ❤️❤️

“ I worked at Brookdale with Erlinda a few years ago. She was a wonderful friend, coworker, and she cared about her patients and the people around her but most of all she was deeply in love with her husband. I send my heartfelt condolences to all her family and friends because I know we all will miss her dearly. She made a difference in all our lives. God Bless you all.

I met Erlinda over 10yrs ago at work when I first started with Brookdale...She was always in a great mood and I envied the energy she had, she was hardworking always taking the best care of her people and she LOVED her husband and doggies always sharing pictures with me. She will be greatly missed, my condolences and prayers go out to her family, I'm sure she's in heaven still taking care of her people and being the guardian angel over her family!
