“ Hi Sweetie! Thank you for always being here when we needed a hug or kiss. They were always the best! Your love of God, country, family and women serves as an excellent example of how to live life. You lived life as you wanted...no excuse provided. I shall always cherish the time we spent together and our talks when you were in the first rehab center. There is so much to say and I am forgetful but you know what is in my heart. I thank God for putting us together in this life journey. I hope that in heaven let you catch a "keeper" to spend eternity with.

Sonny, I love you forever..To infinity and beyond....To the moon and back.

Your favorite cousin

“ As a kid, I would hear the name Sonny, that worked at the highway
dept with dad and uncle Arthur. It wasn't until the last 10 years that I
would get to know him better. As I would take uncle across the river
to visit him in Bergs Mill and then in the last 5 months, I would take
uncle down 2 hallways at the Vet Home to have a visit. Sonny could
no longer carry on a real conversation, but we knew it was Sonny,
by the sparkle in his eyes and that little mischievous grin on his face
as we would tell stories of yesteryears. Sonny will surly be miss. ❤️
