“ Ernie was my friend since he was in med. school and I will always miss him.

Interesting to talk to and a true friend. I met him in Memphis 1960. We had Mississippi and the love of cats in common. I visited him once in 2006 and he visited me in Baton Rouge once, after that--a reunion I treasure of an old friend from my past. I am so sorry for your loss and mine, as well. I will miss him always--God bless him in eternity.
