“ *My dear friend, the Lord called you home too soon. I am so sorry I didn't get to give you a hug and tell you how much of a good friend you have always been to me. I still can't believe you are gone, I can still hear you coming into Our Casas office and complaining about something. We shared a lot of memories and that I am truly grateful for. I want to extend my deepest condolences to your loving family Nora, Michael, Bobby, your sisters and brother Lauro, I deeply sorry for your loss and will miss him so much. He was such a great, kind, caring person and I will forever treasure our memories in my heart. I will miss you so much my friend, like the song says till I see you again.*

*Love Always your friend,
Arlene*
