

Estella Cordova

July 18, 1943 - February 9, 2024

SAN ANTONIO – Beloved wife, mother, and grandmother, Estella Cordova, passed away on February 9, 2024 at her residence surrounded by the family she loved, and loved her so dearly.

She was born Estella Ruiz to parents, Jose Maria and Hermalinda Ruiz, on July 18, 1943 in San Antonio, TX. A born and bred San Antonian, Estella graduated from Lanier High School, Class of 1962 where she was a popular student and member of the Blue Jackets Dance Team.

Following graduation, Estella devoted her life to the service of two cherished groups: her patients, and most importantly her family. Estella was a nurse in the San Antonio community for decades, where she plied her craft with both love and compassion. As a Licensed Vocational Nurse, Estella was a fixture of the Baptist Medical Center for over 45 years of dedicated service to those in need.

Estella's greatest legacy is the beautiful family she leaves behind. Estella and her husband, Francisco, shared a lifetime of love that spanned over 57 years. In that time, they gave birth to three amazing children, Frank, Glory and Laura, who in turn raised amazing children of their own. Estella was a bright and shining star, whose light shown to so many that called her family, friend, and beloved...she will be greatly missed.

Surviving Estella's passing is her husband of five decades, Francisco Cordova, son Frank Cordova and his wife Nancy; daughters, Glory Cordova and Laura Cordova and her significant other Rudy Rodriguez; 13 beautiful grandchildren, and numerous great grandchildren, who will all miss their beloved Estella.

Services for Estella Cordova will be on Thursday, February 15, 2024, from 6pm-8pm at Mission Park North Funeral Chapels (3401 Cherry Ridge, SATX 78230).

John 16:22 - "So with you: Now is your time of grief, but I will see you again and you will rejoice, and no one will take away your joy."

“ What can I say about my mom, Just that she was the best mom that we could ever have. She took care of my Sisters and I., She was always there for us and I will miss her dearly. But I was fortunate Enough to see her Every day for the last 30 years Since I worked with my dad. So mom I Love you and will miss you very, very much. But as God promised I will see you again on the day of resurrection. And I look forward to that day to be able to hug and kiss you and dance with you. Until then, I carry you in my heart. I love you very much from your son Frank
