“ *Mother I love you so much. You are at peace now. You are my angel. I wish I had more time with you to hug you and tell you how much I love you. I wish you didn't have to suffer as much as you did to make us stronger, but as moms that's just what we do. You were the strongest woman I ever knew. Very proud to have had you in my life these 44 years of my life. This is not goodbye mom. I will see you again. Love you! May you RIP now free from pain, and don't worry about us. You have done your part, let us do ours.*
