“ *Toto and Family. Susan and I express our deepest condolences on the passing of Estella. Although it has been many years since we have seen her, she was indeed blessed to have children, grand children and great grand children. Memories of Estella take us back to when Anthony and Crissy were very young. She was always happy, laughing and smiling. I know the Good Lord prepared a place for her as He promised. Our prayers are with you and your family today and always. May the Lord bring you peace and comfort during this difficult time.*

“ My family and I send our deepest sympathies to Art and John and Chrissy, and all the family. Estella had such a big heart. She always checked on us and prayed for us, and told us what to do. May God be with all of us who loved her and will miss her so much. We know we will see her again one day. Meanwhile, I pray Estella, my friend is at peace and enjoying Heaven.
