“ Raul and Danny,

Our deepest condolences during this most difficult time. The loss of a family matriarch is devastating; even more so when a family is as close as yours. May you both find comfort in knowing that your mother raised 2 fine and accomplished men like yourselves and may the memories of your mother help you get through the pain of her loss.

*All our love,

But we are citizens of heaven, where the Lord Jesus Christ lives. And we are eagerly waiting for him to return as our Savior. He will take our weak mortal bodies and change them into glorious bodies like his own, using the same power with which he will bring everything under his control. (Philippians 3:20-21)

My prayers are with Tio Roy and the entire family. Esther always welcomed me with so much love and I am grateful for her love and compassion. Which she instilled in each of her children. May she rest in peace in the arms of our loving Heavenly Father.

Keep the faith and it makes things possible, not easy. Be strong and courageous. Do not be afraid or discouraged, for the Lord your God will be with you wherever you go.

I love you all very much, Margie Ytuarte and family.
