Estrella de Maria Cornejo de Forster, M.D.

May 8, 1929 – November 20, 2015

Dr. de Forster was born in Mexico City and received her medical degree from the National University of Mexico in 1954. In 1957, she completed her residency as a neurologist at the Baptist Memorial Hospital in San Antonio, Texas. Dr. de Forster served as the Director of the Electroencephalography Lab at the Dr. Velasco Suarez National Institute of Neurology and was involved in research concerning medications that are used today relative to violent behavior, epilepsy, and Parkinson's disease. In 1977, she moved to San Antonio where she completed her residency in psychiatry. She received her medical license from the Texas Medical Board in 1983. In 1985, she joined Bexar County Mental Health and Mental Retardation Center, where she worked until her retirement in 2003. She continued to practice as a locum tenes physician in several U.S. states through 2011. She was active in her profession as a member of the Bexar County Medical Society and the American Medical Association AMA since 1982. Most recently, she served on the AMA Minority Affairs Consortium. Dr. de Forster was a life member of the American Psychiatric Association and the Texas Neurological Society. She became president of the Texas Medical Association TMA 50-Year Club in 2012. She is survived by her husband James Forster; daughters Estrella and Veronica; sons James and Charles; grandchildren Miguel, Carlos, Jamie,

Starr, James, Mathew and Nikole; great grandchildren Liliana and Caden; and brother Miguel Cornejo. In lieu of flowers, donations can be made to Texas Biomedical Research Institute or a charity of your choice.
