“*Mamo was one of the kindest most loving, generous and patient people I've ever known. I loved and adored her so much. I was blessed enough to have had such a wonderful bond and relationship with her and I'm also blessed enough to have spent so much time with her throughout my life. She will forever live in my heart and memory. I will never forget Mamo. I once heard someone say, that when someone passes they don't miss us the way we miss them, solely because they know we will return to them one day. With that being said, I believe one day I will reunite with her once again. Until that day comes though, I will honor her in any way I can, and celebrate her in every way possible. I love you mamo, for eternity.*

“ *To the abundance of a great family, we extend our deepest condolences for your loss, but with a great celebration of life, joy and love each of you shared with this huge matriarch. 99 years of legacy to live on.*

As our Lord carries each of you through your journey, he will always keep each of you grounded from the seed he planted, named, "Mamo, Tia Fracho, and as we knew her, Mrs. Vasquez".

May God comfort your souls and she now passes the torch to each of you, with all the fruits of spirits she planted.

“ To the Family of Tia Facho,
The heartbreak upon losing someone so dear to your heart is so painful but if there is someone who has so many GOOD things to remember, it is my Tia Facho.
When I was a kid growing up with Grandma and Grandpa I used to look forward towards Tia and Tio Adrian coming over for a visit. They were always happy and laughing and that even made me feel good. But "the icing on the cake" was when they would invite me to go stay with them and their family. Some of my best weekends and summers was with my Tia Facho. She will be sincerely missed. May you rest in peace Tia,

“ *My Mamo was the best person in the whole wide world, the most caring, strong, loving woman I've ever met. She was like a second mother to me and my life wouldn't have been the same without her. I love you Mamo forever and always and I will see you again one day.*

My Dear Mother Teresa in my heart and soul. In 1967 and 1968 I lived with her and her entire family. She treated me like I was part of her family and was a very happy loving caring Soul to all people. She was my single Father's Mentor. She cared for her Mother my Grandmother just as her family cared for her until the end of her journey,! Uncle Adrian always supported her love of Family! They loved to dance and really were a great couple. May she rest in peace and teach everyone to be grateful for everything they had on this earth! We must rejoice over her and her long life. May all relatives follow her kindness and love towards each other. "We do not choose to be born. We do not choose our parents, or the country of our birth . We do not, most of us, choose to die; not do we choose the time and condition of our death . But within the realm of choicelessness. we do choose how we live" She chose a loving supportive partner for life "Uncle Adrian. She sold Avon , Stanley products and always her Church raffle tickets! She helped her parents, Brothers and Sister's always! She will be missed but never forgotten ever! From your Grateful Niece Irene Tamez Gonzalez Guzme
