Tribute Wall

“ I knew Gene by my own brother, Larry Johnson (R.I.P) Class of 1980 South San High School.
Gene was a kind soul, a close friend with lots of stories and the love of Rock N Roll shared with many... my how time has passed ... he will be missed and as for my own meaning of things, I know he is at rest and has woken up to the other side -happy, whole and everlasting handsome with those who loved him, welcoming him home.
This is indeed a celebration of his wonderful life and the legacy he had left behind.
Many Blessings of continued strength, patience and understanding to his family and friends who knew and loved him best.
My heart felt love and peace to all.
He loved my brother and shone his light upon my life at the darkest of moments of my personal loss.
Thank you Gene - my love always.

“ I met Gene 28 yrs ago through my now husband, James Casias. He and James had been life long friends which was more of a brother relationship after over 40 years. Gene had a wit about him and I loved his sense of humor. He was the best man at our wedding 28 years ago.. He was a very kind person and will be greatly missed although not forgotten. Gene you were like a brother to me as well. May perpetual Light shine upon you and may you rest in eternal peace. Love you. "Hey Gene what's wild" 🙏👼🙏
