

## Evalyne Jay-Alma Hernandez

January 9, 2009 - May 13, 2025

On May 13, 2025, at the young age of 16, Evalyne Jay-Alma Hernandez entered into eternal rest where she joined her father, maternal grandmother and maternal grandfather through the gates of heaven.

Evalyne was born on January 9th 2009 in San Antonio, TX to Joel Hernandez and Aixita C. Leija. Evalyne was a wonderful addition to her family and brought so much laughter and light to everyone she knew. From the time she was born, Evalyne was tiny but mighty. She was her mommys's phat piggy and one of her greatest loves. She was a daddy's girl to the core and he was her world. She was a twin soul to her sister, Ezryn Hernandez.

Evalyne had big dreams for the future and planned to grab life and live it. She was excited and was looking forward to what was next to come. She dreamt of becoming a veterinarian or working in the medical field. Evalyne loved attending any and all family gatherings. She loved music, food and Dr. Pepper. She also had a passion for art, drawing and video games. Evalyne made many lifelong friendships that she cherished throughout her short life.

In 2022, due to unexpected circumstances, Evalyne was adopted by her aunts, Barbara Ferry and Jessica Toscano. They fully welcomed Eva into their home with open arms and Eva added to their already 5 children creating a household full of beautiful chaos amongst everyone. She became a forever

piece of their home.

Evalyne is survived by her mother Aixita Leija, siblings Ezryn Hernandez, Ayden Butler and Aries Hernandez, her adoptive parents (2022) Barbara Dee Ferry, Jessica Rae Toscano as well as her adoptive siblings, Isaiah Hernandez, Hailley Flores, Audrina Marquez, Zoie Marquez and Jaxon Toscano, paternal Grandmother Alma Hernandez as well as countless aunts, uncles, cousins and friends. She is preceded in death by her father Joel Hernandez, her maternal Grandmother Mary Louise Lisowski and maternal Grandfather Leopoldo Ramos Leija.

Evalyne was a beautiful, kind, loving soul to everyone. She will be deeply missed but never forgotten. Until we meet again, we all love you forever sweet girl.

“ *i think about you everyday there's no place person or thing that i would rather be with than to be sitting across the table from you eating mcdonald's or chasing you while you were on your scooter. I replay your voice over and over again and i think about our memories and the others we could have made. i miss you but it would never be the same with you gone.*

“ *💖 I didn't know you beautiful angel, but the Lord must have had other plans for you and they were in heaven as a guardian angel. The picture your friend posted of you with the beautiful wings behind you were justified. Rest in peace in God's kingdom and know that you will always be thought of and missed and cherished, and never forgotten. You will always be an imprint in the hearts of all of those you touched. 🌸*
