“ Eva took such good care of my sister and I when we were little and helped my Mom and Dad so much. We always felt like family in her home and with her extended family. I have fond memories of the time I spent with her and her family when I was little. I remember sitting at her table in the kitchen watching her make tortillas and eating so many of them because they were so delicious. I remember being called “Lea Tortilla.” Everything was done with so much love. She touched my life so deeply and made a lasting impression on me. Love and light to her family and friends and may memories and time with family offer some comfort.

“ To my Loving Tia Eva,

She was the kindest and sweetest loving person you would ever meet. you know growing up we never really had much, but what we did have, was Love and Familia, she was like my second Mom. What I will always remember is Uncle Tony telling us boys: Always remember We're not the Best but we are hard to Beat and Tia Eva in the kitchen always cooking and her cooking was the Best. Tia Eva you will always be in our hearts and you will be missed everyday.

*Luv Ya
